Location: Victoria, Melbourne

Website: [www.aiaa.com.au](http://www.aiaa.com.au)

Each year, the Australian Information Industry Association (AIIA) invites a select group of global technology leaders to a dialogue host at Victoria Melbourne; where participating international delegates will interact with senior officials, thought leaders, and experts from across the technology spectrum in an intimate, discussion-based environment. These sessions provide opportunities to debate critical issues driving technology disruption in our societies and economies.

The Global Tech Leaders Dialogue (GTLD) is part of Victoria's **Digital Innovation Festival (DIF)**, a broad, state-wide festival of activities focused on digital capability and innovation. In 2016, the inaugural DIF brought together more than 40 partners who hosted over 100 events including 3 award ceremonies, 4 conferences, 48 workshops, 3 showcases 2 hackathons and many more activities. In 2017, the festival will continue to grow, showcasing the contribution that technology makes to all industries and society.

**AUGUST 2017 EVENTS...**

**Event: Digital Innovation Festival Victoria**

**Date: 23<sup>rd</sup> August – 6<sup>th</sup> September 2017**

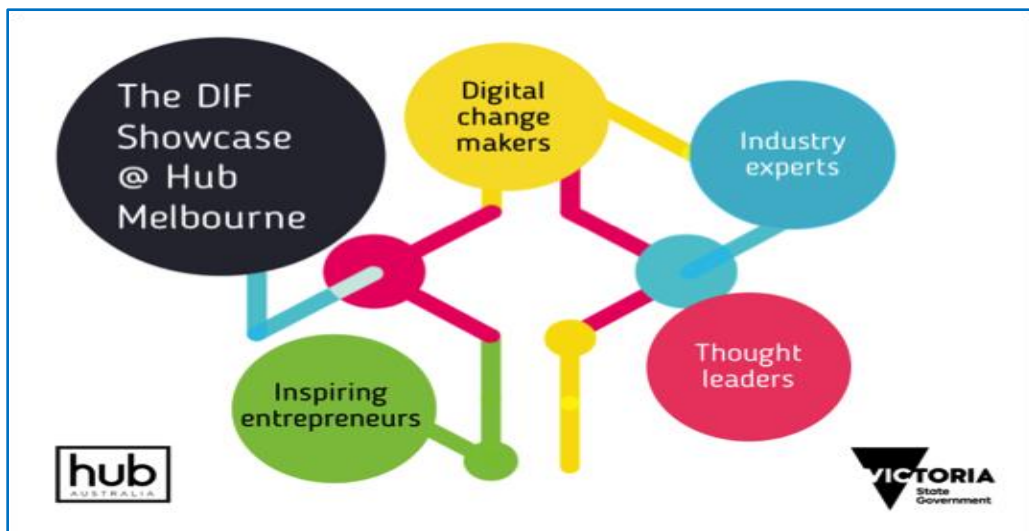

Organizer: The Victorian Government

Location: Federation Square Melbourne

Website: <http://www.vic.gov.au/digitalinnovation>

The Digital Innovation Festival - or DIF - the Victorian Government is showcasing and celebrating excellence across the digital and tech community/sector. As the organiser and sponsor of the DIF we wanted to let you know that it's not too late to be involved in this year's Festival.

The Festival brings together and promotes a range of digital innovation and technology events across the State including awards, forums, workshops, showcases, hackathons and much more. Run annually around the national iAwards the 2017 festival runs for 15 days from 23 August to 6 September. Celebrate the 'Victorian Difference' that drives entrepreneurs, students and industry to not only be different but make a difference through digital technology.

## Event: iAwards National Gala

**Date: 30<sup>th</sup> August 2017**

Organizer: Australian Information Industry Association (AIIA)

Location: Victoria, Melbourne

Website: [www.iawards.com.au/home](http://www.iawards.com.au/home)

The key goal of the iAwards is to discover, recognize and reward the technology innovations that have the potential to, or are already having a positive impact on the community – at home, in the office and on a global scale. iAwards submissions are accepted from innovators across the whole Australian economy, whether you are an individual, a group, a government or private organization, or a student.

Proudly hosted by the Australian Information Industry Association (AIIA), the iAwards operates in all Australian states and territories, including in WA via WAITTA's Incite Awards and in Tasmania with the support of TasICT. iAwards winners and merit recipients at the state level proceed to become National Finalists, competing at the pinnacle event of the iAwards calendar: the National iAwards.
