NASSCOM HR Summit – 2017 will be joined by futurists, technologists, business leaders who are witnessing the change from the front and HR masters who are walking through the storm in a chosen direction to formulate the:

Talent Strategy

01 03 05

Actions for Today, Tomorrow & the Day After

Through this Summit, future will be looked at from three lenses- 1, 3 and 5. The next 1 year is our immediate future, next 3 years is the mid future and the next 5 years is long term (yes, at today's pace 5 years is long term.) This will equip HR to take a 360 degree view of the organization to reflect on its evolved role.

The two days of the summit will encompass discussions on what we know and what challenges are we ready to take. While predictions for the next 1, 3 and 5 years will be discussed, the focus will gradually move to prescriptions for the future.

It is time to step forward and make the shift together.
