

MAY 2017 EVENTS...

Event: National ICT Day

Date: 2nd May 2017

Organizer: Federation of Computer
Association Nepal
(CAN Federation)

Location: Kathmandu, Nepal

Website: www.can.org.np

Federation of Computer Association Nepal (**CAN Federation**) celebrates May 2nd as ICT day in recognition of the ever increasing relevance of the convergence of telecommunications, computer, hardware, software and audio-visuals in the last one decade or so in an information age. This day thus underlines the importance that information, knowledge and technology play in modern socio-economic development by highlighting the importance of ICT as a tool of development. From last two years other organization are also jointly organizing and participating in this program. ICT excellence award is awarded to the IT companies who have been contributing for the development of ICT in the country.

The purpose for the celebration of **National ICT Day** is to raise awareness of the need to collectively profit from the possibilities offered by ICTs; to encourage the private sector and civil society to work together to improve access to infrastructure, enforce capacities and increase confidence and safety in the use of ICT, to support and raise consciousness towards developing Nepali cultures and cultural diversity.
