DEEP APPRECIATION FOR HOSTING ASOCIO MULTILATERAL TRADE VISIT 2017

Dear Mr. Tamir,

On behalf of the Asian-Oceanian Computer Industry Organization (ASOCIO), we would like to place on record our deep appreciation for the successful hosting of the event from June 14 – 17, 2017. We are very impressed with the dedication the entire MOSA team put into organizing the event.

The entire operation was smooth throughout the event. We have received numerous compliments from the delegates. During the event, MoUs were inked between ASOCIO and MOSA as well as MOSA and MCF; we look forward to MOSA working closely with all ASOCIO members associations.

We wish to thank you and your team for an excellent job.

Yours sincerely,

David Wong
