CONGRATULATIONS ON NATIONAL ICT DAY 2017

Dear President Mr. Binod,

On behalf of the Asian-Oceanian Computer Industry Organization (ASOCIO), we extend our congratulations to you on the occasion of the National ICT Day 2017. We send our best wishes for your continued successes as you work for the good of CAN Federation, as well as for Building e-Nepal: together we CAN.

Over the past 7 years, CAN Federation has strongly promoting National ICT Day to raise awareness of the need to collectively profit from the possibilities offered by ICTs; to encourage the private sector and civil society to work together to improve access to infrastructure, enforce capacities and increase confidence and safety in the use of ICT, to support and raise consciousness towards developing Nepali cultures and cultural diversity.

May I again congratulate you on your National ICT Day. Please accept, Mr. President, the assurances of my highest consideration.

Yours sincerely,

David Wong
Chairman, ASOCIO
