

APRIL 2018 EVENTS...

Event: TechLaw Fest 2018

Date: 4 - 6 April 2018

Location: Suntec Singapore Convention & Exhibition Centre

Website: <https://techlawfest.com/>

Organizer: Singapore Academy of Law (SAL) and CORP

Jointly organised by the Singapore Academy of Law and Corp Agency, TechLaw.Fest is an event that will take place from 4 - 6 April 2018 in Singapore. It will bring together leading thinkers in the space of Technology Law and leading makers in the space of Legal Technology. Three tracks of activities will cater to a wide range of TechLaw interests:

The main conference, themed “Smart Regulations for a Digital Economy”, will be a deep dive into the novel regulatory approaches which are being explored and tested to help societies and businesses nimbly navigate the rapid pace of technological advancement and the legal conundrums which arise.

Teams in our start-up village will be working hard in our Future Law Innovation Programme hackathon. Pop in to observe their progress, cheer them on, or even participate in user testing of prototypes!

Stroll through the legal technology exhibition of mature as well as cutting-edge legal technologies, and pop into a variety of hands-on masterclasses and workshops to give a little lift to your legal tech competence.

TechLaw.Fest is about lively experimentation and meaningful action. Meet where it matters.

Event: Taipei Ampa EV Taiwan in Taipei AMPA 2018

Date: 11 - 14 April 2018

Location: Taipei Taiwan, Nangang Exhibition Center

Website: https://www.taipeiampa.com.tw/zh_TW/index.html

Date: 26 - 27 April 2018

Location: Taj Lands End, Mumbai

Website: <http://www.nasscom.in/gcc2018/>

Organizer: NASSCOM

Industry watchers have observed with awe and admiration the incredible evolutionary journey of Global Inhouse Centers (GICs).

Over the past few years, GICs have continued to evolve and mature at a rapid pace and earning enormous credibility equity along the way in recognition to their disruptive impact on transformation a broad range of industries.

GICs have matured to become trusted enterprise transformational agents and have morphed into becoming strategic partners to reshape the future of the business. Powered with a combination of strategic capacity and capabilities, GICs are now the 'new' business-as-usual for companies. Companies supported by mature and evolved GICs benefit from the capacity aspect to keep the business lights on and on the strategic capabilities side in support of a company's response to the business of future. Increasingly, GICs are pivoting to an operating model of being driven by capabilities essential to balancing stability of business operations with the agility of a future proof enterprise.

Purporting to unfold the theme of Leading the New Normal – Speed, Smart & Skill the 8th edition of GCC conclave will be held on April 26 th and 27 th, 2018 at Taj Lands End, Mumbai to discuss how GICs are strategically evolving as a Global Capabilities Centers. Through a thoughtfully curated agenda, spirited & insightful sessions and inspirational speakers, the conclave will demonstrate the power of GCCs in rapidly identifying and adapting to applicable disruptive trends.
